MEMORANDUM FOR AIR FORCE SURVEY PARTICIPANTS

FROM: AF/A1
1040 Air Force Pentagon
Washington, DC 20330-1040

SUBJECT: 2011 Department of Defense (DoD) Survey of Health Related Behaviors

1. You have been selected to participate in the 2011 DoD Survey of Health Related Behaviors. This survey will ask you about health-related behaviors such as diet, exercise, stress, alcohol and tobacco use. Your participation in this survey will assist DoD in developing and enhancing health promotion programs that help Airmen improve their health and well being.

2. I strongly support your participation in this important and on-going DoD research effort. Be assured, your responses to the questions on the survey are anonymous. Neither the data collection contractor nor DoD will be able to associate responses to an individual so you can feel comfortable in answering each question completely and honestly.

3. If you experience technical difficulties with the survey or have questions about the survey or your rights as a participant, please call the survey contractor (ICF International) toll-free at 1-877-713-2816 or send an email to 2011HRBSurvey@icfi.com.

4. Please support this vital project by responding promptly when you are asked to complete the survey. Thank you.
