- **Sign-In**
- **Administrative Meeting**
- **Welcome and Opening Remarks**
- **Public Citizen Comments**
- **Therapeutic Class Reviews**

Members of the DoD Pharmacoeconomic Center will present relative clinical and cost effective analyses along with the DoD Pharmacy & Therapeutics Committee recommendations for the Uniform Formulary.

The Committee made recommendations of the following drug classes during the August 2008 meeting:

- *Self-Monitoring Blood Glucose System Test Strips*
- *Overactive Bladder Drugs*
- *Designated Newly Approved Drugs*

- **Panel Discussions**

The Uniform Formulary Beneficiary Advisory Panel will have the opportunity to ask questions to each of the presenters. Upon completion of the presentation and any questions, the Panel will discuss the recommendation and vote to accept or reject the recommendations. The Panel will provide comments on their vote as directed by the Panel Chairman.
