Objective:

To provide a historical review of the IDES Program, the current VA/DoD Memorandum of Agreement and the process for referrals/authorizations and claims processing.

Intended Audience:

All Military Treatment Facility healthcare personnel (i.e., nurses, providers, administrators, etc.) involved in Medical Management or anyone supporting Case Management services.

Description:

This webinar will focus on the Integrated Disability Evaluation System (IDES), to include:

- IDES Process
- IDES TRICARE Referral and Authorizations
- IDES Claims Processing

Speaker Information:

Ms. Lecce has been involved in VA/DoD and VA/TRICARE collaboration for many years, and has developed, and provided training to numerous VA personnel. Ms. Lecce has also developed and provided IDES training to both VA and DoD personnel since the inception of the DES/IDES in November 2007.

Ms. Bean is the VA Liaison for the TRICARE Regional Office-North, and an integral part of the TRICARE Regional Office-North management team. Her responsibilities include interacting with the Army, Navy and Air Force Military Treatment Facilities (MTFs) as well as the Veteran's Affairs Medical Centers (VAMCs) to assist in the "transitioning" of service men and women between the VA and DoD health care systems, with TRICARE as an essential element supporting active duty service members' transition to VA care.
