Area Affected by the Referral Waiver for Areas around Tinker Air Force Base

On May 20, 2013, a system of tornadoes impacted the region surrounding Tinker Air Force Base. Because many beneficiaries may be displaced or unable to get to their primary care manager (PCM) in the area around Tinker Air Force Base, the requirement to have a PCM referral has been waived. The waiver applies to care received between May 20, 2013 and June 19, 2013.

Please review the following map and zip codes to determine you live in an area affected by the PCM referral waiver. You can also contact Humana Military Healthcare Services at 1-800-444-5445 to see if you qualify for the waiver.
